### **New Business**

Carol mentioned that invoicing will happen soon to renew memberships. The process and messaging to be included with the invoices was discussed. John indicated he would draft a couple paragraphs to include that would highlight benefits of membership [action item]. Also discussed was the need to reach out to additional entities, like the solid waste districts, to recruit new members.

Details for the 2020 AOR Conference/Workshop were discussed as well. John has been in contact with The Recycling Partnership and they are willing to do a contracting workshop as part of the conference. Most date in October should work for them. Members present agree upon the following potential dates: October 14-15 or October 27-29. Taylor and Matt will reach out to some potential venues so a pricing comparison can be made.

On 2/3/20 an electronic poll vote was taken. John made a motion for AOR to sign the Memorandum of Understanding with SWANA-Buckeye Chapter and OALPRP for the 2021 Partner Conference. Matt seconded the motion. The motion passed unanimously.
