Dear Colonial Way & King George Quay Residents,

Last month, we introduced ourselves, told you about ReCycle your neighbors.

Let’s see how you measure up! Below you’ll see your quarter-to-date recycling rates with information from your February 10th pick-up.

As a reminder, your next recycling dates are: February 24th and March 9th.

As always, feel free to contact us if you have any questions.

Yours in recycling,
The Team at TFC Recycling

Dear Colonial Way & King George Quay Residents,

Hello from TFC Recycling & Recycling Perks. We’re back again to let you know how the recycling rates are shaping up among Colonial Way and King George Quay.

It looks like your last recycling pick-up took a slight downward turn. Encourage your neighbors to do their part and make sure to get your cart rolled out to the curb the evening before pick-up or before you leave for work.

As a reminder, your next recycling dates are: February 24th and March 9th.

Feel free to contact us if you have any questions about recycling. We’re here to help!

Yours in recycling,
The Team at TFC Recycling
